A. F. L. SAYS IT IS BEHIND SHOPMEN TO VERY LIMIT

(Continued from Page 1.)
to be held here next Saturday.

JEWELL IS IN WASHINGTON

Chicago, Sept. 2.—Mystery surrounding the whereabouts of B. M. Jewell, head of the striking shopmen's organization, was cleared away tonight when friends said he had gone to Washington to confer with Samuel Gompers and other labor leaders.

Federal officials have been hunting Mr. Jewell to serve him with a writ of the restraining order prohibiting shopmen from interfering with the nation's railroad traffic. Mr. Jewell, according to friends, departed Thursday.

The writ was issued the following day.

Pickets Removed.

Jacksonville, Sept. 2.—Union pickets who have been on duty at railroad shops here as a result of the shopmen's strike have been removed by the unions as a result of the restraining order obtained yesterday in Chicago by Attorney General Daugherty. It was announced today by officials of the union and railroads.

Non-Union Worker Killed.

Memphis, Sept. 2.—Charles Lanier, a non-union railroad shop worker, was shot and killed today when an automobile in which he was en route home in the suburbs was fired on. Another man in the car was not injured.

Enforcing Court's Order.

Chicago, Sept. 2.—While efforts of the government were directed today toward enforcing the restraining order issued yesterday prohibiting striking railway shopmen from interfering in any way with the nation's railroad traffic reports of scattered disturbances continued to be received.

More than 5,000 deputy United States marshals were ready today to enforce the order and copies were being served on more than 250 union officials throughout the country.

Deputies here said they had obtained service in "a majority" of those named in the writ issued yesterday by Judge Wilkerson, in federal court at the request of Attorney General Daugherty.

The life of the order extends to September 11 when a hearing to have it made permanent is to be held.

While the shopmen issued a statement through the executive council that the writ would be obeyed the right was claimed to continue the strike in a lawful manner.

No comment on the federal action was forthcoming from the United States railroad labor board today where members were busy with the hearing involving the maintenance of way employees' request for an increase in wages.

Nine Arrested at Waycross.

Waycross, Ga., Sept. 2.—Nine arrests were made here today upon warrants charging violation of the railroad strike injunction of the federal court and warrants have been issued for others, according to the statement of District Attorney Bennett.

Eastern Roads Have Hard Task.

New York, Sept. 2.—Eastern railroads tonight faced the hardest task meeting them since the rail strike was called—handling Labor day traffic.

Preparations to meet this rush and the issuance of a letter of instructions by local strike leaders assailing the Harding administration for the injunction proceedings instituted yesterday in Chicago and describing them as a brewer of anarchy occupied chief attention today. After checking up on their rolling stock and posting extra guards on their properties the roads professed themselves confident of handling travelers without undue inconvenience.

From labor quarters came advice to travelers warning against the condition of cars and locomotives and predicting inconveniences; at the same time strikers were urged by their leaders above all things to keep their heads and not resort to violence.

BOY SCOUTS SPEND NIGHT IN CAMP LIKE VETERANS

Troop No. 1 of the local Boy Scouts of America are having and enjoying an all-night encampment on the banks of the St. Johns river at a point known as Traveler's Rest near East Palatka, the kiddies being in charge of their assistant scout master, George Black. Camps were pitched at 6 o'clock, following which the old-time camp fire was built by the scouts, while another crew of them were busy gathering a sufficient supply of limbs and wood. The Dixie Grocery company supplied Scout McMahon with sufficient ration provisions for the evening and Sunday morning's meals.

Former Scout Commissioner Geo. R. Hilty will also attend their evening luncheon and give an address, who has just returned from an extended vacation trip from northern points.

Scout Master Ben Butch, of troop No. 1, will be unable to attend, as he is ill.

SPLENDID CONCERT FRIDAY NIGHT ON COURT SQUARE

Palatka's Big band, an institution being stressed because of the forthcoming appearance of the Boys' band, gave an enjoyable concert before an unusual number at the courthouse Friday night. Popular numbers by George M. Cohan and Ted Snyder with Herold's overture "Zampa," drew greatest applause.

Director Shearouse announced Saturday that preceding the "big" band's concert on Friday night, September 15, he will present in concert Palatka's own boys' band of 36 pieces. This is said to be the first boys' band in Florida and a welcome unequalled in Palatka's history is being predicted for the youngsters, none of whom is over 18 years.

A concert by two bands is a feature few cities can boast and if the juniors measure up to expectations Palatka will indeed be fortunate, according to many around town.
